

Notified body No. 1164

**CERTIFICATE OF FACTORY PRODUCTION CONTROL**

**1164-CPR-ADJ001**

(The French version prevails)

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (Construction Products Regulation - CPR), this certificate applies to the construction product:

**ADMIXTURES FOR CONCRETE, MORTAR and GROUT**

and more precisely to the following types:

Standard part No.	Use	Admixture type
EN 934-2	Concrete	Viscosity modifying admixture
		Water-retaining admixture
		Plasticizing / water reducing admixture
		high range water reducing/superplasticizing admixture
		Air entraining admixture
		Set accelerating admixture
		Hardening accelerating admixture

intended for the use specified in the declaration of performance established by the manufacturer, made available on the market of the European economic space by:

**CHRYSO**  
**92446 ISSY LES MOULINEAUX Cedex**

and produced in the manufacturing plant:

**CHRYSO**  
**45300 SERMAISES DU LOIRET**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

**EN 934-2:2009/A1:2012, NF EN 934-3: 2009/A1 : 2012 and NF EN 934-5 : 2007**

and the implementing rules CE2+R 01 (2015)

under system 2+ are applied and that

**the factory production control fulfils all the prescribed requirements set out above.**

This certificate was first issued on **October 30, 2002** and will remain valid as long as the conditions laid down in the reference harmonised technical specification or the manufacturing conditions in the factory or the factory production control itself are not modified significantly or at the latest until **March 26, 2024**.
